

NESD Comprehensive Plan

2023 - 2026

September 21, 2023

VISION 2028 GOALS

Goal 1: Curriculum, Instruction, and Assessment - To ensure consistency across academic and elective programs with precise connections between instructional strategies and assessment of core academic, PA academic, and College and Career readiness standards.

Goal 2: Safety and Security - Develop and sustain safe physical and psychological learning environments that support academic, equitable, trauma-informed learning environments that promote and support the safety and well-being of all students and staff (PDE).

Goal 3: Communication, Community Outreach, & Partnerships – Foster a culture and climate of caring citizens that have respect for self, others, and their community.

Goal 4: Professional Learning -Align professional learning with district needs in order to ensure our staff is well trained and that measures of student achievement and growth reflect continuous trends improvement.

Goal 5: Facilities - Provide exceptional school facilities and learning environments that give students, parents, teachers, staff, and administrators a strong sense of safety and pride.
