November 2, 2021

Good Evening North East Families,

LECOM in conjunction with the Erie County Department of Health is hosting a community COVID-19 vaccination clinic for any individual five years and older. Please click the vaccine clinic banner posted on the website or the enclosed link below for more information and to register for the LECOM Community COVID-19 Vaccination clinic for ages five (5) and up which will be held on November 19, 2021.

Additionally, an appeal was filed on the mask order and there is a stay of the Court's earlier ruling and the existing PA mask Order is still in place. Erie County is also under a separate mask Order through the Erie County Department of Health and masks are required indoors for students, visitors, and staff. The District will continue to follow the Health & Safety Plan which requires masks while under an Order as well if Erie County is in high or substantial with COVID-19 cases. Both Erie County and North East is in substantial for COVID-19 cases. We will continue to work with our Pandemic Team to update our plan as information becomes available.

Sincerely,

Dr. Michele S. Hartzell, Superintendent
