RE: Spring Break/Hybrid Days

Dear North East Families,

This is a reminder that North East School District will be on Spring Break from Thursday, April 1st through Wednesday, April 7th. No assignments are required during Spring Break. There are also scheduled hybrid days on Thursday, April 8th and Friday, April 9th. Students do not report to school on hybrid days; however, they are required to log in to their Google Classroom and complete building specific assignments. Erie County Technical School students will report to their AM or PM sessions on both April 8th and April 9th.

The end of the third marking period is March 31st. Report cards will be mailed on Monday, April 12, 2021. We are also missing a few seniors on our Senior Spotlight. Please have your senior complete the form and submit a picture so we can recognize them on our website located under the gold Senior Spotlight tab.

The COVID-19 reporting form is available and is located on the district website at nesd1.org, select the gold covid form.

If you have any questions, please contact your building administration. We hope you enjoy your Spring Break with your families!

Sincerely,

Dr. Michele S. Hartzell, Superintendent
