Mrs. Shelley Allen, Administrative Assistant

January 17, 2022

Good Afternoon North East Families,

LECOM in conjunction with the Erie County Department of Health will be hosting a community COVID-19 vaccination and booster clinic for any individual in the community five years and older. The clinic will be held on Monday, January 24, 2022, for the first dose or booster; and, on Friday, February, 18, 2022, for the second dose if receiving a two-dose vaccine. The clinic will be held at the North East Davis Elementary School from noon to 3:00 p.m. It is also recommended that you consult your family physician prior to receiving any vaccine.

Please select a time slot between the hours of noon and 3:00 p.m. This time slot will be your time for both appointment days if receiving a two-dose vaccine. *Please note, if too many appointments are booked for one time slot, we may contact those who signed up last to reschedule for a different time slot. LECOM also asks that you be patient as registration does take some time. Please complete registration for each member registering for a vaccine or booster.

Please click the vaccine/booster clinic tab posted on the district website at nesd1.org or the enclosed link below for to register for the LECOM Community COVID-19 vaccination and booster clinic for any individual in the community ages five (5) and up. LINK: <https://forms.gle/tVPWao2cbNjep9oK9>

Sincerely,

Dr. Michele S. Hartzell, Superintendent
